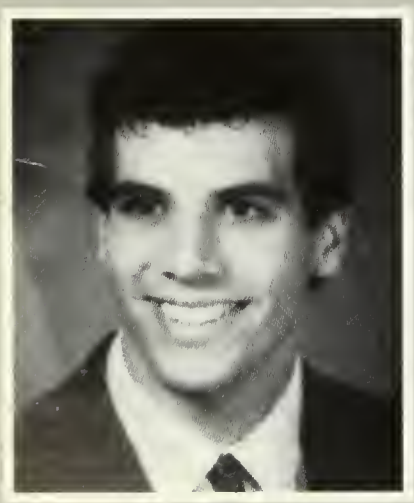
Dedication

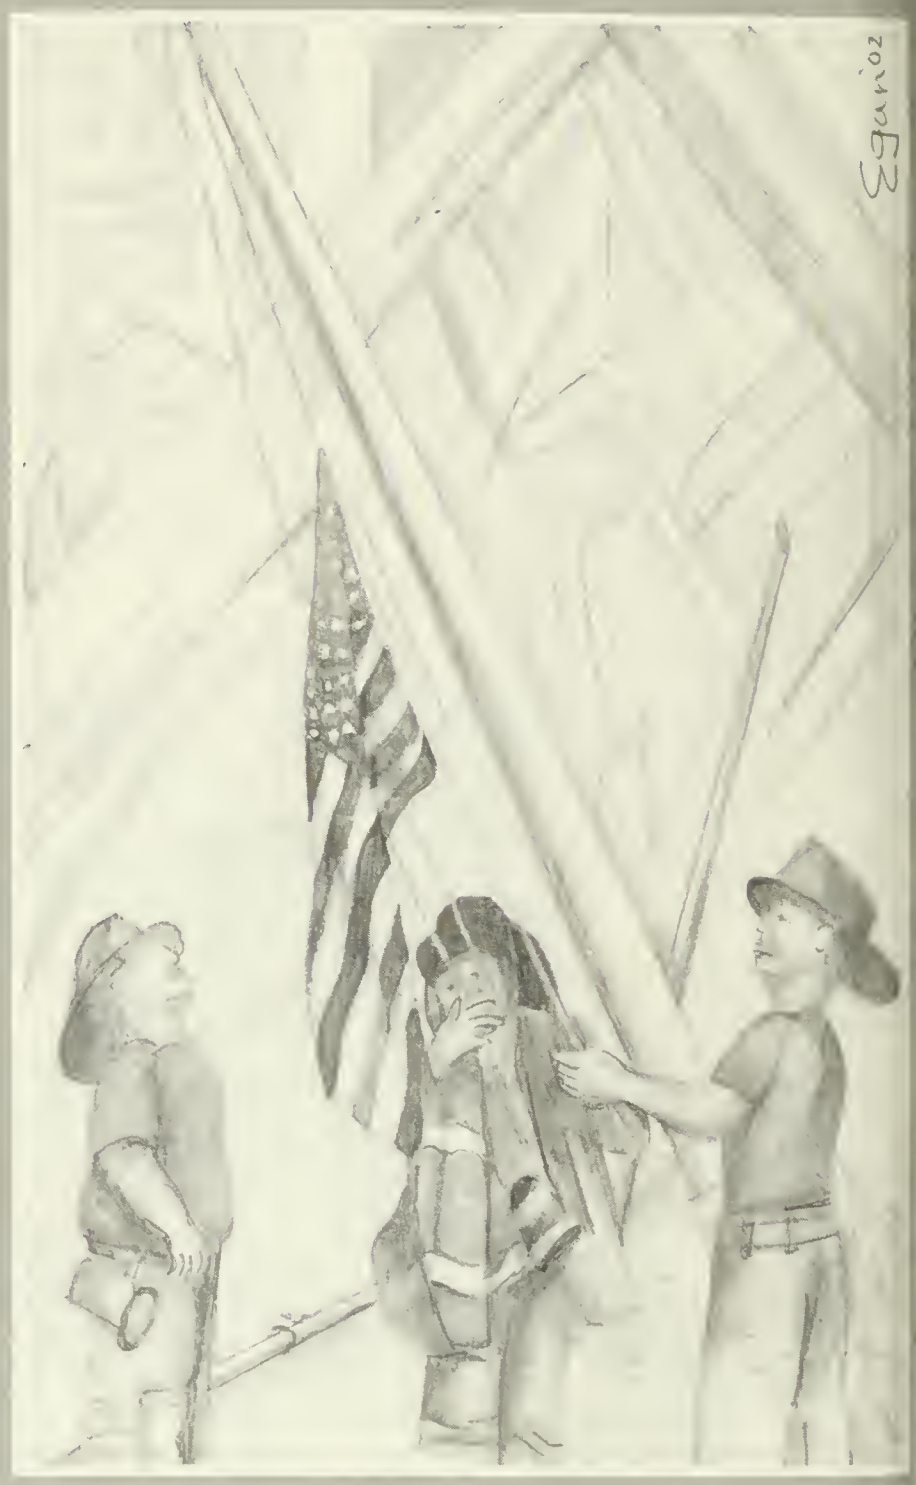
A dedication can hardly express in words what we feel within our hearts. It is with grief and pride, that we the Class of 2002, dedicate our yearbook to the friends and families of the September 11th tragedies.

All classes on that day came to a standstill as students heard the news. The images that we saw on the television screen will never be erased from our memories. All of our lives and our views of the world have been changed forever. As our days here at MHS come to an end, we will carry with us these memories and the experience of that day.

All the pain and sorrow cannot compare to those who have been directly affected. We extend our condolences not only to our community and to our country, but to the world. We all have been, in some way, touched by these events. We will forever remember all the victims whose lives were cut short.

We honor and remember former MHS student Ray Rocha. We extend our sympathy and prayers to all of his family and friends. Ray was a part of the MHS community and will stay in our hearts. His football jersey #17 was retired and honored during the 2001 season.





". . . there is still the shock and disbelief, there is anger, there is fear, but there is also—throughout the world—a profound sense of solidarity. There is courage, there is a surging of the human spirit," - British Prime Minister Tony Blair.

In the Blink of an Eye . . .

Looking back on the last twelve years of school, we realize how quickly the time has passed, each year going by more quickly than the last. The past four years at Melrose High School have been a fleeting but unforgettable experience filled with countless events that have shaped us in innumerable ways.

The years between 1998 and 2002, from the day we first entered Melrose High School as freshman to the day we will receive our diplomas, have been a time full of changes. We have experienced transitions in our school, from smaller events such as schedule changes to more significant events such as the arrival of new teachers and a new principal. We have also experienced monumental changes in the world such as the arrival of the new millennium and the changing face of the country. These transitions are all a part of the transition we ourselves have made in the past four years.

Our years at MHS have not only been marked by changes, but also by the unforgettable events and significant relationships that we have experienced. Whether looked on fondly or with regret, all of these experiences hold a place in our minds. The memories of friends, teachers, classes, proms, plays, games and everything else are what have made the past four years at Melrose High School a unique experience for each of us. It is by looking back on these experiences and realizing the changes we have undergone that make us aware of how the last years have gone by in the blink of an eye. Before we make the final transition and go our separate ways, we invite you to take a glimpse at this time in our lives that will be here today and gone tomorrow.

Class Advisors

THANK YOU

To Ms. Ragucci and Mr. Savarino,

We would like to show our appreciation to you for all that you have done for us. Your uplifting spirits and high expectations have helped guide us through our time here at Melrose High. You have stuck with us through all four years, advising and leading us. Stepping outside your roles in the classroom as teachers, you have been there for us every step of the way. Our memories of our high school years revolve around the activities we participated in, that you helped us plan. These memories include our freshman and sophomore semis that gave us our first glimpse of how fun and unforgettable our next four years would be. We undertook several fundraisers to raise money for our class, including Dockside nights, sponsoring dances, selling candy, Valentine carnations, and the very successful sale of Blow Pops. The money raised from these events went towards funding our memorable proms, and other class activities. As we leave Melrose High, we will undoubtedly take with us many joyous memories. Your hard work and dedication has sometimes gone unrecognized, so we would like to take this opportunity to thank you. We will never forget you!

Sincerely
The Class of 2002

Throughout their four years at Melrose High School, the Class of 2002 has seen many changes in the faculty here at the school, as well as many of the same faces that have been here since day one. With many changes in the school, faculty at MHS has been here to support the students through everything. With a new principal for the last three years of our high school career, and a new schedule added each year, the faculty has proven to be most important to the success of the students. Providing leadership, advice, and many other roles outside of teaching, as coaches and club advisors, the faculty has been dedicated to going above and beyond for their students. The Class of 2002 would like to extend our thanks and appreciation to the faculty of Melrose High School for all their support throughout our high school careers.

THANK YOU MR. GARIPAY

We'd like to thank Mr. Peter Garipay for all his hard work and dedication that he has given to his students and staff for the past thirty-six years. He has always been there for great support and advice. Never has a man put more time and effort into his job. He has so much admiration and love for his students that they cherish him so much. You can always count on him to be there with his door open and a big smile on his face. The students at Melrose High School have gained such great respect for him. You can always find him at every sporting event and student activity supporting his "kids." His heart is filled with care and compassion for every member of the school. He will be greatly missed, but never forgotten at Melrose High School. We will always keep a special place for him in our hearts. Good luck in what the future may bring and keep a memory of us with you always.

Improvements Together, Lasting Forever

Get involved. A phrase heard by students from teachers, administrators, and parents over the years. The many clubs and organizations that exist at MHS make this an easy task. Whether you enjoy your foreign language, math, music, law or student government, there are many choices from which to choose. Clubs give a chance for students to collaborate with others and do something they enjoy. Results can be seen everywhere, from posters and flyers in the hall to the proms and the yearbook. Every club strives to be a success by including all people, and having a good time.

Left: Miss Hiti preps the cast before a Marathon Day run through.

Under the direction of the inspiring and talented Miss Hit, the Drama Club has made a name for it-self. With an amazing set and extremely dedicated cast, To Kill A Mockingbird set the mood for this year. The next show was for the Mass H.S.D.G. Assembly Line, set in a factory in the 1930's, (we love the 1930's) dealing with the everyday life of women in the work place. With Miss Hiti directing, the club has a two year winning streak going on to the semi-final round, (hopefully further this year) leaving us a reputation of "going on." We've been through a lot, the wins, the losses, and the broken noses (I love you Drew!), but have still stuck together like the family we've always been. A family that is nothing but love, support, and is the most talented and hard working people one could hope to work with. Break A Leg in the future! Special thanks to: The Baline's, The Faulstich's, Miss Hiti (Furby), Han Solo, Jude Law, Queen Latifah, and Cats! (CCY-ATS!)

Top right: Is that Jackie O' on stage? Nope, it's Mrs. O'Connor, but boy does she really look great!
Middle left: Ready for their time in the spotlight, seniors **Jon Pietrantonio** and **Taylor Cronin** walk out together, always with smiles on their faces.
Center: Not afraid to show off this lovely turquoise dress, Alisha Edwards smiles and strikes a pose.

Seasons to Remember

For many students at Melrose High, the majority of after school time and weekends is spent playing sports. The schedule of games and competitions is the axis around which many students' lives revolve. A ten-hour school day may seem intimidating, but for the select few that take on the challenge, the rewards are innumberable. Regardless of wins and losses, the team atmosphere and the friendships that are forged are worth their drudgery. The Middlesex League is one of the most grueling around, but the constant pursuit of success is what defines a Melrose athlete. Many Melrose teams take on their League wide antagonists with ease, and bring home many victories to our school. Other teams persevere through multiple losses, but their spirit and enthusiasm is what characterizes their successfulness.

This year's Melrose High Swim Team had a very exciting and successful 2001 season. Coach Deb Deacon led the girls in the first ever-cooperative team because for the first time ever Melrose was combined with the Stoneham High Swim team where they put up a tough challenge against all their opponents. The team was encouraged and supported by their three captains **Meghan Sullivan** and **Molly Aspen,** both seniors, and junior Cam McGrail. Sophomore Abby Pratt and freshman Aley Quinn put on amazing performances this season. Pratt broke the MHS school record for the 100yd fly, and Quinn came within hundredths of a second in beating the 500yd freestyle. Several teammates made it to the State Championship Meet, including the 400yd freestyle relay with Cam McGrail, Abby Pratt, Aley Quinn and Stoneham's Tara Kelly. All the girls worked hard and did their best during this 2001 season.

The golf team had perhaps one of the more successful seasons in quite some time in the Middlesex league. Led by captains **Andy Lane, Paul Glavin,** and **Andrew Walsh,** the team managed their third straight successful season, compiling up a record of nine wins and two losses. Some highlights from this year came from their home match against Woburn, the defending state champions. Thanks to a strong showing from **Paul Glavin** at the three spot, and **Andrew Walsh** at the four spot, the team upset the powerhouse of the league. However, the team lost to Reading, despite the top six of Melrose having racked up more points than the opposing Rockets top six players. Throughout the season, with **Lane** and **Glavin** leading the way for the veteran team, the top six made significant contributions. Mike Gillis had another successful season, and next year's elected captain should be a man to watch when the snow clears the ground for next season. The team qualified for the state finals for the first time in over ten years. They placed 2nd at the sectionals, and 8th at the state championships. Middlesex All-Stars included Senior's **Andy Lane, Paul Glavin,** and freshman, Dave Murphy.

The lady raiders were a force to be reckoned within the Middlesex League this year finishing with a record 7-8-3. Amy Pascarell took on a new position as head coach of the varsity team. Working with Co-Capatains **Charlotte Daher and Katie Egan,** she led the team to an unforgettable season. A team consisting of nine seniors, five juniors, and one sophomore, the girls formed a close bond displayed on and off the field. **Katie Egan** earned a position on the Middlesex League All-Star team this year. With her strong dribbling and nearly flawless drives into the circle she was a great right wing. Also along with Egan, defender **Michelle Caso** was also named an All-Star. Caso proved to be a great asset to the team using her intensity and unbelievable drives. To top of the two a third senior, mid **Meghan O'Hara,** was also named an All-Star. O'Hara had a great motivation in every game, never ceasing to give up. Missing the tournament by only one point was a big disappointment, but the irreplaceable memories they made together proved to be more important. The girls will never forget: doubles!, "Bangorang!", pasta parties, secret senior food, spandex (capris!), camp, the ghost, Julie's cheers, and the great bus rides.

The girls soccer team had a record of 2-15-1 this year, but this record does not do the team justice. With heir "No Mercy" motto, their soccer lunches, and DAPS the team stuck together and battled in all of their games. Every game was a fight, but they never gave up. This was their third coach in three years, but by the end of the season the girls proved the period of rebuilding was finally complete. Going into their final game with a meager one win the girls upset tournament bound Wakefield. With strong leadership from captains, **Tara Higgins, Victoria Jackson, Keir Stanford,** and the other seniors **Laura Carucci, Jenna Muolo, Alisha Murphy, Jen Sullivan and Caitlin Terry,** the team grew together and bonded like no other team. The team next year is looking to begin a tradition of contending for a birth into the Eastern Mass Tournament. The eleven returning juniors hope to lead the team as well as this years seniors did.

The Boys Varsity Soccer Team has had a great 2001 season. They finished with a season record of 17-5-2. This impressive season marks the most wins the program has had in 25 years. Great leadership by captains **Brian Binari, Bruce Patti** and **Michael Milano** contributed to this remarkable season. There was also individual performances by some of the players. Senior **Ryan Johnson** had a tremendous seasons becoming the Middlesex League MVP, Easter Mass All-Star, League All-Star and named an All New-Englander. **Michael Milano** was also an Eastern Mass All-Star and League —All-Star. **Michael Perez** became a League All-Star as well. A great accomplishment the whole team participated in was the win over Woburn (a team that hadn't lost a game in almost 2 years) to become the Division II North Sectional Champions. It is the first team in Melrose Boys Soccer history that has ever received such an honor and will be remembered for years.

With next seasons captains, Joe Musselman and Adam Lackett the 2002 team hopes to have a repeat season. The 2001 Team Seniors wish all players and coaches Best of Luck.

The 2001 Lady Raider Volleyball team started the year strongly with 3 wins and new uniforms. They accomplished 2 of their 3 goals that were set in the pre-season: becoming Middlesex League Champions and qualifying for the state tournament. The third goal of winning the State Championship is left to the hard-working players of next season. The girls made history with their League Championship title, as well as their first ever victory over Lexington in many years. Their 13-8 record consisted of 2 outstanding wins over Stoneham. With his dedication and perseverance, Coach Scott Celli was the main driving force behind the team's success. The team was led strongly by co-captains **Jamie Drago** and **Andrea Basteri,** both of whom pushed the players to give their best performance throughout the season. Seniors **Jamie** and **Andrea,** as well as sophomore Amanda LaBella, were selected to be on the All-Star Team. **Andrea Basteri** was chosen to be a League MVP. The girls enjoyed good times both on and off the court, including pasta parties, tp-ing Celli's house, trips to volleyball camp and nightly McDonald's runs. Good luck next year girls!

The 2001 season was an unprecedented one for the Lady Raiders' Cross Country team. With a 6-3 record including victories over Reading, Stoneham and Woburn, the team was a competitive force in the league with only close losses to Wakefield and Winchester, and to state champions Lexington. The top three runners, senior co-captains **Jackie Haker** and **Johanna Tower,** and sophomore Amanda Lanza finished in the top fifty at the Easter Mass Class meet, and were followed closely behind by sophomore Erica Foulser and senior **Liz Crawford,** who were strong competitors throughout the season. Also among the top finishers during the season were juniors Sophie Matsuda and Jenn Rafferty, and sophomore Thanh Truong. The entire team put their best effort forward to make this the best season that Melrose Girls' Cross Country has ever seen.

Captains Shawn Tagan and **Matt McCarthy** led a very young cross-country team this year. The 2001 boys cross-country team worked extremely hard this season after losing many great seniors from last year. What is amazing is that despite the loss of several key runners and the fact that the freshmen nearly outnumbered every other class 2:1, the team maintained their record from last year: 4-5. The Red Raiders are especially proud of their 1-2-3 victory over Wakefield. There was a great deal of "stepping-up" among the veterans and a lot of investment in summer practices. We would like to extend our immense appreciation to Coaches Mr. Allison and Mrs. Corbett for all of the support they have given us throughout the season. We wish the best of luck to next year's team.

Freshman Nicole DeSimone shows school spirit while heading up the cheer. Nicole proved herself as a great addition to the fall cheering squad with untouchable toe touches, stunts and tumbling.

The Melrose High Cheerleaders had great expectations entering the season with a new coach and a brand new team. The girls worked hard all summer, preparing for the first year as a competitive team in the history of Melrose High School. At the Middlesex League Cheerleading Competition in November, the squad placed third, behind Burlington and Wakefield. Although they did not qualify for regionals, the girls were successful in finally making a name for Melrose High Cheerleading. They were able to accomplish quite a lot, due to Suzanne Fogarty's steady coaching and encouragement, along with the team's determination and dedication, and spirited captains. Co-captains **Tiffany Long** and Julie Gunner led the squad through a satisfying season, cheering at both football and soccer games.

The 2001 Melrose Red Raiders Football Team, led by senior co-captains **Matt Parro,** and **Craig Drauschke** had a record of 3-6-1. They beat Malden and Stoneham on the road, and Watertown at home. The team also lost many close games to the best teams in the league. There was a close loss to defending Super Bowl Champs, Reading at home, and a tough loss on the road at Lexington, without star running back **Terence Kent.** Also, just short of a comeback victory, the Raiders lost to the Red Devils of Burlington at home, and another close loss to Woburn away from Melrose.

Another bright spot for the 2001 Red Raiders was that Melrose had five Middlesex League all-stars. They were senior **Jarett Giles** and junior Ryan Keohane on defense. Also, 2-time all-star, senior **Terence Kent,** senior **Shawn Cerretani,** and junior Kenny Powers were all named to the team for offense.

Best of luck to the 2002 Melrose High Football team and those in the future, and remember that "Red Raiders never, never, never quit".

Coach Denise Valdez, Assistant Coach Dave Montani, and Captain **Taylor Cronin** led the Lady Raider's Gymnastics team to a season of victory and success. The girls swept the Middlesex League Championship from the Woburn Tanners in their last meet of the regular season, remaining undefeated in their league. They went on to win the Middlesex League Meet and qualify for Sectionals. Not performing their best at the Sectional meet, the team still placed second out of eight teams and came up with a seat at the MIAA State Championship meet. Plagued by injuries, the team scored their lowest of the season, but making it to the meet was an accomplishment in itself. The team finished the season eighth in the state, averaging a 136.2625 for the year. Leading the team, as the all-around competitors, were junior Jennifer Guevin and freshman Liza Montani. Both girls qualified for the MIAA State individual meet and were named Middlesex League all-stars. Montani was an all-star for all-around and Guevin was an all-star on the uneven bars. Other all-stars on the team included senior captain, **Taylor Cronin** and sophomore Allison Cairns on the vault, sophomore Sarah Killeen on the uneven bars, and freshman Caitlin Kingsbury on the floor exercise. This year, the boys' ice hockey team had a successful and surprising year. They dealt with the adversity of a very young and inexperienced squad, as well as a new coaching staff. The team had a tough time adjusting. Coming from a very successful season of last, a lot was expected of these kids. Led by captains **Matt Schille** and **Andrew Walsh,** as well as seniors **Adam Scibelli, Mike Carpenter,** and **Jack Rotundo,** the team managed a disappointing 9-10 record. Suspensions and injury plagued the team the entire year. On the positive side, Melrose beat ranked Winchester, a huge upset and the high point of the year for the team. In addition, Melrose had five all-stars, **Matt Schille, Andrew Walsh,** Ken Powers, Peter Milligan and All League and co-MVP of the League Adam Scibelli.

Overall, it was a learning experience for both players and coaches. Also, some may call is a rebuilding year. Good things are to come with next year's team, and good luck!

Making A Racquet

With tough shots and cute skirts, the Girls' Tennis Team has been very strong. The team proved their power last season with a great record, which earned them a spot in the tournament. The girls came up on match short of a victory against the Bishop Fenwick team. The season of 2002 appears to be equally successful with many returning players and coach Debra Deacon. However, tennis is not all work and no play! The girls have also had a lot of fun getting in shape with Tae Bo, riding the "Barney Buses", cheering each other on at the matches, and partying at Prince Pizza. A highlight of the season, was when Lindsey Shanahan proved her determination by winning a tough match against one of Winchester's star players. The team's hard work paid off at the end of the season in the struggle against Bishop Fenwick.

The 2002 girls spring track team, led by Captains **Liz Castro, Johanna Tower, and Jackie Haker** has been through it all in the past four years. As the talented group of seniors including **Caitlin Terry, Katie Egan, Jen Sullivan, Sarah Murphy, Meg Taffe, Kelly McDevitt, Taylor Cronin, Kiley Herrick, Leigh Catalogna, Charlotte Daher,** look back on our past seasons we see a variety of success and defeat, good times and bad, and everything in between. With the encouragement enthusiasm of our new coach, Mr. DiSanto, and the experience and dedication of Coach Reardon this team has flourished. **Liz Castro's** superior talent in the sprinting events and long jump has led the team in scoring, as she became a Middlesex League All-Star. Megan Driscoll has brought talent and energy to the discus and shot put. During the 2001 season, she placed sixth in the State Coaches Invitational, with a throw of 101 feet. She also placed second in the Bay State Games with a toss of 100 feet. Our underclassmen have brought so much spirit and hard-work to this team. Their enthusiasm and dedication assure us that "OUR DAY WILL COME!"

The 2001 Boys spring track team ran against a competitive league to a record of 1-8 with a crushing victory over Belmont. The Red Raiders fought this season hard and never gave up hope. Despite the team record, the season was filled with hard work and effort that led to many outstanding performances. Distance events were led by Middlesex League All-Star and Captain Dan Lounsbury. Max Solie proved to be the most important point scorer in the hurdles. Captain Adam Bagarella made significant point contributions with sprint and middle-distance events. **Greg Porziella** and **Joey Leone** dominated the weight events. With all of the underclassmen potential on this year's team, it is sure that under the guidance of Coach Tim Morris and leadership of Captains **Shawn Tagan, Alex Sloan,** and **Jon Pietrantonio,** the 2002 spring track team will be destined for greatness.

Middle left: Junior pitcher Bridget Daughsiewicz winds up before delivering her powerful fastball. Top: The infield huddles up for their pep talk before every inning to get themselves ready to shut out the other team.

The girls softball team lost a good number of seniors in 2000, so the 2001 season was a rebuilding year. The season started out well, but the team lost their two starting pitchers, sophomore Bridget Daugsiewicz, and freshman Jackie Scully to injuries. The team ended up with a record of 8-12-0 in the season. This years team looks good with their returning infielders; junior shortstop Annie Schweihs, second baseman **Julie Chavanne,** and first baseman **Andrea Basteri.** Their two pitchers Bridget and Jackie will alternate games, and closing the battery is catcher **Keir Stanford.** Returning outfielders include **Michelle Caso,** Melissa McPhee, Kelly Turner, and Aimee Porcaro. With the leadership of captains **Keir Stanford** and **Andrea Basteri** and with their pitchers back in the lineup, Melrose should be a threat to the league this year, and the team is expecting to do well this season.

Left: Junior Wayne MacKay watches the pitcher's every move for his opportunity to steal second base. Right: **Andrew Walsh,** Coach Wilbur and **Jeff Kotkowski** meet at the mound to discuss **Jeff's** winning pitching strategy.

Last year, the 2000-2001 MHS Baseball team finished their season at 7-13. It was somewhat of a disappointing record, but the team showed great courage in some come-from-behind victories. This was a very special year, however, because it was the last year at Melrose for head coach Dave Wilbur. He moved on to coach in Beverly, where he currently resides. We want to thank him for all his work with Melrose and also we wish him the best of luck at his new job.

This year, there will be some great returning players for the varsity team. Seniors **Mike Carpenter, Jeff Kotkowski, Matt Flight, Matt Schille** and **Andrew Walsh** are some returning starters. Juniors Wayne MacKay, Joe Mussleman and Ryan Keohane are also returning to the team this year. The talented upcoming sophomores should be a great asset to the team also. At the time of this writing, we still do not have a coach. Hopefully the new coach that is selected will lead us to a successful season and into the State Tournament.

Here's Tomorrow

As the senior class moves onto the next stage in their lives. The underclassmen, especially the juniors must step up an fulfill the duties of being seniors. The seniors have made many friends and many memories and will remember them always. For many high school has been one of the most enjoyable times. The underclassmen will follow them in their footsteps and have just as many wonderful times.

On behalf of the freshman class, I would like to wish each of the seniors the best of luck in the future and with whatever it may bring them. Even though most of us haven't had much of a chance to get to know you very well, thank you all for making us feel comfortable at MHS, and for giving us someone to look up to. You guys, as sports captains, national honors society members and just generally nice people have given us much to aspire to. Good luck with life after high school, and I wish you all the best in the future.

The Melrose High School yearbook depends on the participation of the community of Melrose. The support of the local businesses, parents, and students at MHS has been the key to our success this year. Without the enthusiasm put forth from everyone, the yearbook staff would not have been able to produce such a quality book. The business staff would like to extend many thanks to the local businesses that purchased ads. We would also like to thank the parents and the seniors of the Class of 2002 who participated in the ads. Due to the generosity from the community, the Log staff was able to create an affordable book that will hold our high school memories forever.

Thank You So Much Mr. DiSanto

Mr. DiSanto has been the yearbook advisor for a number of years. The position as yearbook advisor demands many hours of personal time and is extremely stressful. Mr. DiSanto has done an incredible job as advisor and has added the personal touch that is evident in every yearbook that he has worked on. Mr. DiSanto's dedication and enthusiasm will be greatly missed, as this is his last year as yearbook advisor. The 2002 yearbook staff would like to extend many thanks to Mr. DiSanto for all that he has done for us.

We would also like to thank Mr. Thomas Keeley for all of his help.

We would like to extend a special thank you to Mr. Terry Bleiler for his athletic enthusiasm and for his photographic expertise over the years. Mr. Bleiler has taken most of the pictures that adorn the 2002 yearbook.

. . . Here Today, Gone Tomorrow

Melrose High School has left the class of 2002 with many experiences that have changed our lives. Every graduating student of the class of 2002 is a different person than the one who came from the middle school four years ago. We have all grown and developed into distinct individuals. From sports, clubs and other activities we have learned patience and healthy work ethic. Our teachers have touched our imaginations and enkindled knowledgeable minds. Our friends have taught us how to make strong relationships. Our time here has passed by "in the blink of an eye," and our experiences were "here today and gone tomorrow." The intention of this book is to remind us of the past and motivate us to prosperous and productive futures.

Good Luck to the Class of 2002
